

## ***Marshalls Set To Open In Jamaica***

Marshalls, one of the nation's leading off-price retailers, has announced the grand opening of a new store on Thursday, May 17, at 168-23 Jamaica Ave. Marshalls' new store will offer shoppers brand name fashions, shoes and home accents at prices up to 60 percent less than department and specialty stores, every day. Plus, the new location will include a Marshalls Shoe MegaShop featuring designer and brand name shoes for the whole family.

Marshalls new concept, Shoe MegaShop, is an easy-to-shop shoe store, approximately 5,000 square feet, within Marshalls. Shoppers will find thousands of designer and brand-name shoes for the whole family and will be able to shop by style rather than size.

"Our exciting new Marshalls Shoe MegaShop is a "store within a store," offering thousands of designer shoes with new styles arriving several times each week. Just pick out your favorite style and then look for your size in the boxes under the display," said Marshalls spokesperson Amy Cafazzo. "Need an outfit to go with those fabulous shoes? At Marshalls you'll find the same great designers and fashion trends found in department and specialty stores at a fraction of the price."

Since opening its first store more than 40 years ago, the Marshalls name has become synonymous with off-price shopping. With over 750 stores nationwide, Marshalls utilizes its tremendous buying power and great vendor relationships to deliver high quality, brand name merchandise at a great value. In addition to offering the latest trends and current season merchandise at low prices, Marshalls offers a convenient one-stop shopping environment, quick and easy check-out, hassle-free return policies and more. The new store will add approximately 75 full- and part-time jobs to the area.
